CAREER OBJECTIVE

Detail-oriented Computer Science undergraduate with a strong focus on Web Development, Web Security, and Full-Stack Development. Experienced in building practical projects and continually expanding technical expertise across Python, Java, Linux, and modern web frameworks. Seeking an entry-level role in Full-Stack Development or Web Security to build secure, scalable web applications and contribute to innovative technical projects.

EDUCATION

B. Tech in CSE, REVA University CGPA: 8.4 / 10 REVA University, Bangalore	2023 - 2027
PUC, State Board Percentage: 75% BASE PU College, Bangalore	2021 - 2023
10th, CBSE Percentage: 69% Euro School, Bangalore	2013 - 2021

SKILLS

Programming Languages: Python, Java, C
Web Technologies: HTML, CSS
Operating Systems: Linux (Ubuntu)
Databases: MySQL
Tools and Platforms: Git, GitHub, VS Code
Cybersecurity Fundamentals: Web Security Basics, Networking, Linux Security
Soft Skills: Teamwork, Time Management, Problem Solving

ACADEMIC PROJECTS

RouteCraft – Intelligent Multi-Modal Route Planner - Developed a smart route planning application supporting multi-modal transportation with route comparison based on time and cost. - Implemented secure authentication, SQLite-based data storage and SOS emergency support, route optimization to enhance safety and user experience. - Tech stack – Google AI Studio, Python, Database Management, SQLite	Jan 2026 – Apr 2026
AI Queue Intelligence and Safety Monitoring System - Developed an AI-powered monitoring system to analyse crowd density, queue length, and movement patterns using computer vision techniques. - Implemented alert mechanisms to identify overcrowding, safety risks, and unusual activities in monitored areas. - Designed a dashboard for visualizing queue analytics, occupancy insights, and system-generated notifications. - Tech stack - Python, OpenCV, Streamlit, HTML/CSS, Flask	Mar 2026 – Apr 2026

CERTIFICATIONS

- Machine Learning Using Python -- Simplilearn, Dec 2025
- Introduction to Cloud Computing -- Infosys Springboard, Apr 2026
- Introduction to Computer Networking -- Simplilearn, Apr 2026
- Introduction to Cybersecurity -- Cisco Networking Academy, Sept 2026

EXTRACURRICULAR ACTIVITIES

- SWAYAM – Art of C Programming, May 2024 - Successfully completed the course and earned certification with a score of 71%.
- Participated in GeeksforGeeks Coding Contest conducted by AiFi – AIML Club, Mar 2026

Languages: English (Fluent), Hindi (Conversational), Telugu (Native)

Interests: Music, Chess, Gaming, Exploring emerging technologies.
